Promotion Guidelines

- Qualifying products are first-quality, running-line regulars of the flooring product lines listed on page 1. Dealers must have the Casabella Hardwood Premier Display to qualify for this promotion. Promotion continues until further notice. Spiff program available in distributor approved trading areas for this product.
- Once your order has been received, claim your spiff by following the voicemail or online instructions above. Spiffs are not paid until after the order has shipped.
- Spiffs may be claimed no later than 3 months after date ordered.
- Multiple salespeople from one retailer may participate, but each order number can only be claimed by one person. A unique Visa Debit Card will be issued for each participant.
- If this is your first claim, allow 14 days from the Friday after your submission for your All Tile Visa Debit Card to arrive loaded with your first spiff. If you have already received a card and are making an additional spiff claim, we will add this spiff to your existing card one week from the Friday after your submission. This timetable assumes your product has been shipped or picked up when you submit your claim.
- The retailer's All Tile account must be current and in good standing in order to receive incentives on the timetable described in item "d." Spiffs that are delayed for this or any other reason may not be paid out more than one month after the promotion ends.
- Incentive cannot be combined with any other offer, including, but not limited to, paying a price lower than All Tile's retailer list price. Inventory purchases do not qualify. Material used for display is ineligible.
- Rewards earned on any returned merchandise will be charged back to your All Tile CCS Visa Debit Card. If the card has insufficient funding for the charge back, retailer's account will be billed.
- In the event of interpretation disputes or typographical errors, the final resolution will be at the discretion of All Tile Management.
- By making a claim in any of All Tile's spiff programs, all salespeople consent to our disclosure, upon request by the retail store owner, of any earnings details in our programs during the time of employment with that retailer. Details about purchases made with the All Tile debit card are not available to anyone other than the cardholder.
- For tax purposes, any individual participant whose earnings exceed \$600 during a calendar year will receive a form 1099 documenting the income.
